You are looking at a Very Rare Brand New NOS GM 1982 to 1988 Rear License Plate Down Handle! This handle has been long discontinued from GM and it is near impossible to still sealed in the original GM package like this one is. This was used on the 1982 and the 1982 to 1987 Cutlass, Monte Carlo, Grand National as well as a few other G-body few other GM cars from around the same years like the El Camino as well. This will be a full concours show car or Sunday driver, or just keep it as a spare as these do not come often or if at all. Thanks for looking
