I'm selling my 1985 iroc z28 Camaro, has 98,xxx original miles, has original motor, 5 speed Manuel, numbers match up, has brand new tires breaks rotors calipers, I have all the reciepts to show you, has 2 15 inch pioneer speaker subs in the back with a amp, jvc stereo deck, sounds good, no rust never seen winter stored in heated garage, paint is good except for couple scratches, interior is in good shape except for a small wear on the drivers seat, no ac was taken out when I bought the car, elderbroc air cleaner, I might be forgetting some things, car runs alright but could use a tune up, and some tlc, I ran the car a couple times this year and it's reliable but just doesn't have that zip, I'm selling because I need the money, call text anytime thanks
