

Thank you for your order and your interest in the GM Vehicle Invoice/Build Record Collection.

General Motor's Vehicle Invoice/Build Record Collection has been archived in varying formats throughout the years ranging from oversized hand written ledgers, microfilm, microfiche and CD-ROM. Therefore, the quality of your unique invoice/build record document varies in the style of format. Please know that we have provided you with the highest reproduction quality possible from these media sources.

Enclosed is the invoice unique to your vehicle. To help you decode the letters/numbers used, we have also included complimentary index pages, when available, listing many of the option fields included on your document.
