## 1987 Pontiac trans am firebird, parts car - \$1200 (Christopher)

image 1 of 2

1987 pontiac firebird

condition: **fair**

cylinders: **8 cylinders**

drive: **rwd**

fuel: **gas**

title status: **parts only**

transmission: **manual**

Have a 87 Pontiac trans am firebird trans am gta, has a 305 ho meaning it has the double hump heads, looks like a big block, has new clutch, throw out bearing, slave cylinder, yes it's a five speed out of a vette, has the 280 posi vette rear end, and has the digital dashboard out of a vette, came as a package in the 80's, rare car, they guy I bought it off of rigged up some relays and it caught fire on me driving the car, ruint alternator harness, alternator, radiator and fans, I bought all new parts, radiator, alternator, fan, has the 30 slot authentic honey comb off set rims that aren't curb rashed, and last I signed the title didn't take it to the dmv, lost the title, selling as whole part car 1200
