Up for sale is my 1982 Camaro z28. Car has 10,000 original miles and is in great shape. Garaged most of its life. It a manual trans v8. Roll cage and performance suspension. I have many wheels and tires to go with it too. This isn't your ordinary every day Camaro. This vehicle is a race winner of the Nelson Ledges Longest Day race! Not only is it a race winner but was also driven by celebrities during this race. It was driven under Dick Goulgstrands ownership. During that race it was driven by James Brolin, John Greenwood, Pat Bedard and Rick Mancuso. 10,000 original miles! This car is in excellent shape, low mileage, and needs nothing. Tire kickers need not respond. I'm sorry to see this vehicle go especially with it's history but it's time to see it off to a good home with someone who will take care of it. Serious buyers only, this is a piece of racing history and a beautiful machine. Any questions feel free to call or text. 610-390-0641.
